

KĀINGA TIAKI CENTRE— Introducing our new home

We're on the move, and we have a new name.

As of 24 August 2020, St Lukes Community Mental Health Centre will be relocated. Our new address will be: 1a Wynard Road, Mt Eden.

Along with a new location we've also been gifted a new name, the **Kāinga Tiaki Centre**, which means 'Home of Kindness'.

The **Kāinga Tiaki Centre** is designed to provide a welcoming environment for service users and whānau alike.

Free patient and whanau parking is available on site. Please note Mt Eden train station is closed and replaced by an interim bus service.

Local Bus stops number: 8203 (New north Rd) or 8403 (Wynard Rd).

Please be assured the move will not cause any disruption to our services.
