CADS for Older Adults

Supporting people aged 65+

CADS for Older Adults is a small service for any older adults (usually older than 65 years) living in Auckland who are concerned about their own or someone else's use of alcohol and other drugs. This includes prescribed medications.

Our experienced alcohol & other drug clinicians offer a wide range of support, including detoxification, education, specialist medications and co-ordination with other services.

Visits to homes, hospitals and rest home visits may be an option depending on the mobility and situation of the person being seen.

Phone us on 845-1818 to talk about what we can do for you
or you can be referred by a health professional

Walk-in clinic available 10am-1pm Mon-Fri
at CADS West 1 Trading Place Henderson

This is a free service
